

Camps Bay City Improvement District

BUSINESS PLAN
for the period 1 July 2024 to 30 June 2029

Prepared by the Steering Committee
Mr. S. McNally, Mr. G. Reynolds, Mr. J. Tillett, Ms. K. Faclier,
Ms. L. Cooke, Mr. R. Bendel, Mr. S. Krige, Ms. T. Massaglia

In accordance with the City of Cape Town City Improvement District By-Law 2023 ("**CID By-law**") and CID Policy ("**CID Policy**")

This Business Plan is available at www.campsbaycid.org

Part A – MOTIVATION REPORT

1 INTRODUCTION

The suburb of Camps Bay began as a small farm established by Johan Wernich in the 1700s, initially known as Ravensteyn. Although the name of the farm survives in the name of a local road, the suburb itself was named after Frederik Ernst von Kamptz after he gained ownership of the farm through his marriage to Wernich's son's widow Anna.

In the late 1700s, von Kamptz sold the farm to the Government at the Cape, and the farmhouse became the holiday home of British Governors (famously including Lord Charles Somerset, who renamed it "Marine Villa").

In 1833 it was documented that there were still only two buildings in Camps Bay, the second one being The Round House (then owned by Jan Horak, after whom another local road is named). The Retreat, third oldest, is believed to date from the 1850s.

Camps Bay began the twentieth century as a remote tourist attraction. Dramatic tram rides via Sea Point (completed in 1901) and over Kloof Nek (1902) made the suburb accessible to commuters and from thereon it started to develop slowly. This was driven by J.R. Farquhar, secretary of the Camps Bay Tramways Company, after whom a road in the lower part of Camps Bay is named and who established the Rotunda Concert Hall, swimming and paddling pools and the cricket, bowling and tennis clubs.

Farquhar did not live to see his dream of the expansion of Camps Bay into a residential suburb fully realised. He died in 1935, by which time Camps Bay remained largely a tourist attraction with only a few private properties (including at least one that survives to this day, owned and lovingly preserved by one of the members of the Steering Committee), and the Camps Bay Tramways Company became insolvent shortly thereafter.

The company was purchased in 1936 by Isidore Cohen, thereby giving him ownership of almost all of Camps Bay from the beach to the pipe track, save for a few existing residential properties and the Brighton Estate, which he purchased shortly thereafter. Brighton Court was built thereon within a year.

Sales and development were slow at first, but eventually Cohen's vision was realised, as additional portions of the suburb were opened up, laid out and developed. The first portion of Rontree Estate (named after his son Ronald and wife Theresa) was opened in 1963, with the final extension above Bakoven laid out and made available for sale in 1969. Cohen and his family live on through a number of eponymous roads, including Isidore Cohen Place, Theresa Avenue, Ronald Avenue and Susan Avenue.

Much has changed since then, but much remains the same. The Camps Bay beachfront remains a popular tourist destination, the sea air remains bracing, and the scenery remains breath-taking.

However, as will become evident from what follows, the suburb once again needs to evolve, not least to address the social and related issues that have attended to the growth of the tourist area on the beachfront and the public safety issues that arise from the attractions of a relatively wealthy suburb to criminals.

It is the sincere wish of the Steering Committee for this CID application that the establishment of a CID will help to preserve and enhance Camps Bay's status as one of Cape Town's finest tourist destinations and arguably South Africa's finest residential suburb.

It is therefore proposed that a City Improvement District ("**CID**") be established covering an area within the City of Cape Town (the "**City**"), as described below. A CID is a community-driven venture, allowing the local community, property owners and local businesses to organise and fund improvements of specific areas within the City. Once established by the City, a non-profit company (the "**CID Company**"), carries out the improvements and upgrades proposed in the business plan of the CID Company (the "**Business Plan**"),

funded by an additional property rate levied on rateable property located within the CID. In the case of the proposed CID, it is envisaged that both non-residential and residential property owners will contribute to the improvements and upgrades.

This report has been prepared in accordance with the City of Cape Town City Improvement District By-Law 2023 ("**CID By-law**") and CID Policy ("**CID Policy**")

The nature and function of the CID

Section 22 of the Municipal Property Rates Act ("**MPRA**")¹ allows a municipality to define an area as a Special Rating Area for the purpose of improving or upgrading the area. This is achieved by the municipality collecting additional property rates from the property owners within the defined area and directing that money back to the area, as part of the approved Business Plan.

The MPRA allows the municipality to determine the additional rate (based on the property valuation) and collect the additional rates from the property owners.

The revenue collected is then administered to the benefit of the defined area under the Municipal Finance Management Act ("**MFMA**")² and the Companies Act.³ For financial management and prudence, a non-profit company ("**NPC**") is registered under the Companies Act and the budgeted revenue is paid over by the City to the NPC in order for the NPC to provide additional services to improve and upgrade the area according to the approved Business Plan.

¹ Act 6 of 2004.

² Act 56 of 2003.

³ Act 71 of 2008.

The NPC is managed by a board of directors (the "**Board**"), who are property owners in the area, acting in a voluntary capacity, to provide the oversight function and implementation of the Business Plan. The activities of the NPC are strictly monitored by the City to ensure conformance to the legislation and the approved Business Plan.

The content of the Business Plan is determined during the establishment process and supported by the property owners in the defined area (at least 60% support is required in the case of a residential CID as defined in the CID legislation). If the Steering Committee can obtain at least 60% support for the Business Plan from the property owners in the area, then they can submit an application to the City.

Once approved, the CID has a term of 5 years during which it can operate and then needs to re-apply for a further term. The CID can be dissolved in accordance with Chapter 9 of the CID By-law.

2 **NAME OF THE PROPOSED CITY IMPROVEMENT DISTRICT**

The proposed name is Camps Bay City Improvement District ("**CBCID**").

3 **THE APPLICANT**

The applicant is the chairperson of the CBCID Steering Committee (the "**Steering Committee**"), Spencer McNally. Delivery of any notices to the applicant in respect of the applications may be emailed to spencer@campsbaycid.org.

The Steering Committee members are as follows:

Name	Email
Spencer McNally	spencer@campsbaycid.org
Gavin Reynolds	gavin@campsbaycid.org
Jonathan Tillett	jonathan@campsbaycid.org
Kim Faclier	kim@campsbaycid.org
Louise Cooke	louise@campsbaycid.org
Richard Bendel	richard@campsbaycid.org
Shayne Krige	shayne@campsbaycid.org
Theresa Massaglia	theresa@campsbaycid.org

4

DEFINED AREA OF THE CBCID

Boundary	Road Details
North	Kloof Road / Camps Bay High School
South	Oudekraal Estates Boundary
East	Camps Bay Drive, boundary of Woodhead Glen, green belts behind Hely Hutchinson Avenue and Theresa Avenue
West	Atlantic Ocean / Victoria Road

5 **STRATEGIC OBJECTIVES**

There are four main objectives of the CBCID, all of which will be delivered by working in conjunction with the City where possible, improving and enhancing existing neighbourhood initiatives where feasible, and implementing additional services where desirable.

The four objectives are listed below. The activities proposed to meet those objectives should all be seen as part of a system with a significant degree of interaction between relevant services required in order for all objectives to be met.

5.1 **Improving public safety**

This is a high priority for the CBCID. The actions in this Business Plan reflect both a proactive and reactive approach to crime prevention and include the creation of joint strategies and partnerships with local Law Enforcement. The use of technology will also increase. Core principles include significant expansion of visible policing and security resources to complement the South African Police Service ("**SAPS**") and ensure that Camps Bay is better able to deter crime in the first place, as well as mount a rapid and suitable response when crime does occur (see section 9 for details of how this will be achieved). In conjunction with other services, the CBCID intends to follow the "broken windows" theory, whereby greater enforcement of minor crimes and better cleansing and maintenance of the suburb will send a clear message that criminal and antisocial behaviour will not be tolerated.

5.2 **Cleansing Services**

For residents and visitors alike, it is essential that the area is both well maintained and clean. The plan includes the deployment of targeted resources, also contributing to the social development of the area by providing employment opportunities. These resources will be focused on litter collection and refuse removal in high traffic locations where the City's resources are often overwhelmed, managing illegal dumping and improving recycling collection. Existing volunteer initiatives (including cleaning of the beachfront, parks and public spaces) will be supported and encouraged, and integrated into the CID's outsourced function where possible.

5.3 **Environmental Development and Urban Maintenance**

Maintaining and enhancing the facilities and overall environment of the area is key to CBCID's plans. The CID will work in conjunction with City programmes to support the City in areas such as verge and sidewalk maintenance and the maintenance and upgrading of communal infrastructure. A key aim is supplementing the City's budget for rehabilitation, upgrading and maintenance of the suburb's public spaces and green spaces, including the beachfront, play parks and the Big and Little Glen forest and riverine areas, with the

proposed CBCID budget providing for capital and maintenance expenditure for all of these on an ongoing basis. Aside from returning some badly neglected areas to their former glory, this will improve public safety in these spaces, not least by minimising opportunities for hidden, illegal encampments and reducing hiding places for muggers and other criminals. Once again, volunteers will be utilised to the maximum extent possible, and additional donations will be solicited for capital projects.

5.4 **Promoting Social and Economic Development**

The CBCID will work to support the City's homeless services as well as existing neighbourhood initiatives in job creation, in accordance with section 22(4) of the MPRA. The Business Plan provides for additional programmes aimed at supporting those in need and creating job opportunities and will continue to work with NGOs to achieve this. Similarly, the CID will deploy suitable resources to sensitively assist vulnerable homeless persons, including those who present with mental health problems.

These objectives link to the City's Integrated Development Plan as follows:

- Economic Growth
- Basic Services
- Safety
- Public Space Environment and Amenities
- Transport

CORE VALUES

The CBCID intends to operate by always being:

COMMUNITY-FOCUSED - Everything that the CID intends to do will be for the greater benefit of the community. The ultimate aim of the CID is to make Camps Bay a better place to live for all of its property owners, residents and business owners.

QUALITY- AND VALUE-DRIVEN - As steward of significant community resources, and in particular the substantial budget that the community entrusts to it, the CID will strive to deliver the best value-for-money services through transparency, strong financial controls and always negotiating with suppliers for the best possible services at reasonable and market-related prices.

TRANSPARENT - Operating within the governance structures mandated by the law, the CID By-law, and the City's CID Policy and by providing details of plans, budgets and operations to interested and affected parties including but not limited to CBCID members, members of the community, suppliers and the City.

PROFESSIONAL AND ACCOUNTABLE - While the CID intends to make use of volunteers, from past experience of existing community groups, it is clear that excessive reliance on volunteers is not sustainable. The CID will therefore employ professional, experienced management who will be accountable through the Board to the community and the City for the delivery of the agreed plan, and to the community for holding the City to the provision of the base level services upon which this Business Plan relies.

INTEGRATED - Working with existing community structures, including formal structures such as Community Police Forum and Neighbourhood Watch, neighbourhood organisations such as the Camps Bay and Clifton Residents Association, other volunteer programmes and the City.

All of this will be underpinned by a commitment to open communication using all digital and analogue channels available.

WHY CAMPS BAY NEEDS A CID

As reflected in the Urban Management Survey, property owners and residents are very concerned about public safety owing to escalating levels of crime, vagrancy and homelessness, the ongoing deterioration of public spaces, and general reductions in service delivery.

A number of volunteer neighbourhood organisations and individual volunteer initiatives do already exist to attempt to address these issues. However, almost all of them are under-resourced, under-funded and unsustainable. Many volunteers are burnt out and/or unable to commit even more of their spare time. From prior experience, we know that individual volunteers cannot be relied upon indefinitely, as over time there is natural attrition through volunteer fatigue, emigration and death.

The reasons why a CID is therefore the only way in which to sustainably and effectively address Camps Bay's very significant problems include the following:

- Camps Bay's primary neighbourhood safety initiative is the Camps Bay Community Security Initiative (CBCSI), which is funded by donations from a minority of residents and overseen by a small number of long-serving volunteers. CBCSI currently operates at a loss and has insufficient reserves to remain operational much beyond the middle of 2024 (and would have been insolvent already if not for the generosity of two large donors).
- Camps Bay's attempts to address the vagrancy and homeless situation and provide social upliftment and counselling services has sporadically been provided by Ignisive, an NGO established and managed by largely volunteer local residents. Despite the massive increase in demand for its services, Ignisive has unfortunately had to scale back dramatically due to lack of funding.
- Initiatives exist for volunteer cleaning of the beachfront and maintenance of a limited number of the suburb's parks and public spaces. Some of these initiatives are sustained only by substantial funding from individual donors, which will not be provided

indefinitely. As noted above, the inability to rely on individual volunteers and donors means that these initiatives are inherently unsustainable.

- A CID is therefore the only mechanism by which sufficient funding for all the required level of services can be raised. A CID will require all residents to contribute in proportion to the value of their properties. In contrast, none of Camps Bay's volunteer organizations have ever succeeded in procuring donations from more than a small minority of residents and all are currently unable to provide services anywhere near the necessary level.
- Sufficient funding will enable the CID to employ professional, suitably experienced, full-time employees to replace burnt-out volunteers and appropriately manage the quality of service delivery from both the City and suppliers to the CID. A further role of these employees will be to ensure an ongoing pipeline of volunteers for long-term sustainability of volunteer initiatives.

8 **URBAN MANAGEMENT SURVEY**

The City of Cape Town CID Policy required the CBCID Steering Committee to conduct an Urban Management Survey “(UMS)” to gather information from property owners on matters pertaining to Public Safety, Urban Management, Environmental Management and Social Development. The results of the survey are to be used to inform the Business Plan in order to direct funding and resources according to the priorities highlighted by the community.

The City required responses from not less than 20% of individual ratepayers in order for the CID process to proceed. For added inclusivity, the Steering Committee determined that the survey should also be open for completion by all Camps Bay stakeholders, including commercial and residential tenants.

The UMS was conducted online, with invitations to complete the survey distributed primarily by email during March 2023 to the more than 90% of individual ratepayers for whom email addresses could be obtained. Responses were received from approximately 38%

of ratepayers, substantially exceeding the minimum requirement of 20%. Accordingly, the Steering Committee is confident that the findings of the survey represent well the feelings and wishes of the Camps Bay community.

In summary, the UMS paints a picture of a community that is very worried about overall Public Safety (82%), feels significantly less safe than before in all public spaces of the neighbourhood (80%), is concerned about reducing levels of public service delivery and cleanliness (69%), and is very concerned about the rising level of homelessness (93%).

No less than 82% of respondents supported, in principle, the formation of a CID to address these issues, including 52% who were strongly in favour. Less than 7% were opposed. Notably, support for the proposed CID did not vary significantly in relation to ownership status, primary residence, area within Camps Bay, nationality, or gender, indicating broad support. Older residents (70+) were slightly less in favour in comparison to younger age groups.

The UMS indicated strong support for initiatives related to public safety, including monitored cameras, foot patrols, additional Law Enforcement officers and an integrated Social Development programme to tackle vagrancy and its attendant crime, especially in the vicinity of the beachfront.

The detailed UMS report together with a comprehensive analysis is included as Annexure C.

9 IMPROVING PUBLIC SAFETY

A strong foundation of public safety is required for all the CID's programmes to succeed and thrive. The CID's public safety improvement programme will therefore form the cornerstone of services rendered by the CID, and a high proportion of the budget is therefore focused in this area.

Improved public safety will be achieved through the deployment of vehicle and foot patrols, including a core team of 8 full-time Law Enforcement officers working in shifts, and the use of camera technology, all coordinated through an outsourced, centralised control room and operations centre.

When necessary, the CBCID will also liaise with and support the City's Fire Services and/or Disaster Management to assist with people management (for example around public holidays), and the City's Events Office to ensure safe management of events.

9.1 **Existing Public Safety arrangements and transition to a CID**

Currently, the volunteer-funded Camps Bay Community Safety Initiative ("**CBCSI**") provides the following services in Camps Bay:

- An outsourced, centralised control room for secondary monitoring of cameras and co-ordination of alert responses;
- An outsourced 24-7 call centre with single emergency number;
- An outsourced 24-7 Tactical Response vehicle under the command of CBCSI for all incident responses ("**Tac 1**");
- Approximately 60 community cameras (owned by the Camps Bay and Clifton Safe Community Trust) and oversight of an additional approximately 240 privately owned street scheme cameras;
- Dedicated resources for the co-ordination of all security efforts, communication with the community and administrative functions;
and
- Collation and dissemination of crime statistics and issuing crime reports.

CBCSI is not financially sustainable, operates at a loss and is expected to deplete its reserves sometime in 2024. It is envisaged that the services currently provided by CBCSI will instead in future be provided by the CID. To enable this, as detailed below, the cameras and related infrastructure owned by the Camps Bay and Clifton Safe Community Trust will be leased to CBCID at no cost.

CBCID aims to build on the existing model of a centralised, outsourced control room, via a formal tender process, with the addition and integration of additional resources, as follows:

- An additional two 24-7-365 Tactical vehicles (bringing the total of such vehicles in operation to three) for suburb-wide patrols and incident response, outsourced to a suitable provider;
- The deployment of foot-patrol officers in key areas, outsourced to a suitable provider;
- The contracting of 8 dedicated Law Enforcement Officers via the City's "Rent-a-Cop" Programme, thereby ensuring at least 2 officers on shift 24-7-365. Dedicated Law Enforcement officers expedite the removal of illegal structures, promptly dispatch Compliance notices and deal with by-law infringements by vagrants.
- The optimal use of technology, including body-worn cameras for security personnel, a neighbourhood-wide radio communication scheme and an expanded, integrated, monitored camera scheme (see below);
- Integration with CID initiatives for Social and Economic Development and Environmental Development, for example the use of Community Stewards to displace informal car guards; and
- CBCID will liaise with the Clifton CID to coordinate efforts and achieve synergies in all areas of Public Safety, including the provision of a centralised control room and integration of camera technology, and other services.

9.2 Use of technology

Technology, in particular monitored cameras and associated artificial intelligence ("AI") analytics software, will, over time, form the core of the CBCID's strategy to improve Public Safety.

Camps Bay currently has approximately 300 public-facing cameras. Of these, approximately 60 are owned by the Camps Bay and Clifton Safe Community Trust (the "Trust") (the umbrella body of CBCSI), with the remainder comprising various street scheme camera projects funded by residents.

Monitoring of street scheme cameras using AI analytics is currently outsourced to different specialist monitoring firms, while all cameras are dual-monitored by an outsourced control room which also coordinates armed response to camera activations and other public safety alerts.

In order to manage a seamless handover of services from CBCSI to the CID, the Trustees of the Trust have agreed to lease all of the Trust's hardware infrastructure to the CBCID at no cost to the CID by way of a memorandum of understanding (MOU) between the Trust and CBCID, for the duration of the lifetime of the CID. In return, the CID will be responsible for the maintenance and upkeep of all infrastructure, while all replacements / new additions will be paid for by CBCID and therefore become the property of the CID. In this way it is anticipated that the existing network of cameras owned by the Trust will, over time and through the natural replacement cycle, be replaced by new assets acquired by the CID.

The Steering Committee is advised that all of the above will be tax compliant because the Trust Deed defines the beneficiaries of the Trust as follows (in particular because the general community of Camps Bay will continue to benefit from the above):

- 2.5 "Beneficiaries of the Trust" shall mean the general community of Camps Bay and Clifton and any public benefit organisation which is approved in terms of Section 30 of the Act; and/or institution, board or body contemplated in section 10(1)(cA)(i) of the Act; that is active in the Camps Bay and Clifton area performing public benefit activities contemplated in Part II of the Ninth Schedule to the Act.

The CBCID will build on the existing technology in place by:

- Setting aside a one-off capital budget for the upgrade and/or replacement of ageing components of CBCSI's existing camera infrastructure with newer, more effective technology, including additional License Plate Recognition cameras where appropriate;

- Providing a year-on-year capital budget for the acquisition of additional cameras and related hardware. The location of these cameras will be determined following a detailed analysis of crime patterns in conjunction with Public Safety professionals. It is expected that the focus will be on key road junctions, entry and exit points, the beachfront and greenbelt hotspots. Implementation will be phased in accordance with the capital budget;
- The monitoring of key cameras (existing CBCSI assets and new additions) will be outsourced to a specialist monitoring company using AI-driven analytics, with response to alerts coordinated via the central control room. This will supplement the specialised monitoring already utilised by the street camera schemes and allow for a centralised response to all alerts;
- Where applicable, cameras will incorporate Licence Plate Recognition (“LPR”) technology linked to a City-wide database to ensure appropriate response to the detection of known suspect vehicles; and
- The CBCID will investigate the viability of using drone technology as part of integrated solutions, including patrols and at crime scenes, especially in and around green belt areas.

The CBCID will comply with the City of Cape Town’s strategies and other applicable legislation/policies/by-laws in relation to, among others, regulation of external and internal privately-owned CCTV cameras, inclusive of open spaces, road intersections, road reserves, etc.

The CBCID will comply with The Protection of Personal Information Act⁴ (“POPIA”) in relation to any information gathered as a result of the deployment of Public Safety technology.

⁴ Act 4 of 2013.

9.3 **Areas within the proposed boundaries of the CID where improvements will be carried out**

It is anticipated that these services will be deployed throughout the CID area and will enable both proactive crime prevention such as visible patrolling and reactive incident management. Focus will be on high footfall areas such as the beachfront, entry and exit roads to the area and greenbelt access points. This is key to the improvement of public safety in the whole area as these represent vulnerable points for the whole community.

9.4 **Compatibility with the City's IDP and section 22(4) of the MPRA**

The proposed services and projects will support the City of Cape Town's IDP, Safety – by enhancing the public safety in the area for the benefit of the community and contributing to Objectives 5 (Effective law enforcement to make communities safer) and 6 (Strengthen partnerships for safer communities).

The expenditure on the public safety programme is summarised in the table below:

Description	Year 1	Year 2	Year 3	Year 4	Year 5	Total Budget
Law Enforcement Officers	R1,804,896	R1,967,337	R2,085,377	R2,220,926	R2,376,391	R10,454,927
Public Safety	R9,220,000	R10,049,800	R10,652,788	R11,345,219	R12,139,385	R53,407,192
Public Safety – CCTV monitoring	R476,760	R659,077	R916,378	R1,023,156	R1,117,585	R4,192,956
Public Safety – CCTV Cameras – Capital Expenditure	R5,300,000	R3,500,000	R2,100,000	R400,000	R100,000	R11,400,000

CLEANSING SERVICES

To facilitate a cleaner, better maintained suburb, CBCID proposes the appointment of a cleansing and waste management company to supply supplementary cleansing and waste management services, working in conjunction with the City's Waste Services Department. This will be done via a competitive tender process and will ensure compliance with Future NPC procurement policy.

Services are anticipated to include additional street sweeping, waste picking and servicing of green bins by a roving cleaning crew. On days when refuse bins are collected, the crew will pay particular attention to any mess made by "bin pickers".

The frequency of services, which could include both day and night shifts, will be dependent on seasonal and other factors, with additional resources allocated according to anticipated demand (for example busy beach weekends, or events). Focus areas will include public spaces (such as play parks and the beachfront), prompt cleansing of litter generated by vagrants and assisting Law Enforcement with cleansing of litter at / from illegal encampments.

Particular emphasis will also be placed on littering, solid waste dumping and deposits of canine and human faeces, which have been highlighted by the Camps Bay community as being of particular concern. A vehicle will be deployed for removal of large loads.

The CBCID aims to institute community education programmes in respect of littering and recycling, develop an integrated recycling system, and return to weekly recycling collections.

The CID manager will work with existing volunteer clean-up initiatives which already provide valuable services, and co-ordinate these efforts alongside those of professional service suppliers to ensure maximum efficiency and avoid any duplication of efforts.

Where possible, the CBCID will further aim to achieve synergies by integrating programmes for Cleaning and Maintenance with those of Social and Economic Development, as part of rehabilitation initiatives aimed at reducing vagrancy and homelessness in Camps Bay.

10.1 **Areas within the proposed boundaries of the CID where improvements will be carried out**

The CBCID will in due course undertake a review of all areas to determine hotspots for litter and grime, in conjunction with existing volunteer clean-up organisations.

It is anticipated that the majority of resources will be focused on Victoria Rd between Glen Beach and Bakoven, in particular the beach and beachfront, together with key parks and greenbelt areas, as these areas were identified by the community in the Urban Management Survey as being areas of particular concern, on account of the high usage and impact associated with these areas.

However, resources will not be limited to these areas and it is the aim of the CBCID to keep all areas within the boundaries of the CID clean and in good condition at all times.

10.2 **Compatibility with the City's IDP and section 22(4) of the MPRA**

The appointment of a cleansing / urban management service provider will create employment and give potential work to an SME, providing consistency with the City's IDP and with section 22(4) of the MPRA. Cleaner and better maintained spaces will contribute to community satisfaction in line with the Objective 4 of the IDP (well managed and modernised infrastructure to support economic growth), specifically objective 4.7 promoting cleanliness and addressing illegal dumping. The CBCID will work closely with the City regarding solid waste objective 4.5 (excellence in waste service delivery programme) and 4.6 (waste minimisation and recycling program) which facilitate streamlined communications and improved service delivery with the City.

The expenditure on this programme is summarised in the table below:

Description	Year 1	Year 2	Year 3	Year 4	Year 5	Total Expenditure
Cleaning	R480,000	R523,200	R554,592	R590,640	R631,985	R2,780,417

11

ENVIRONMENTAL DEVELOPMENT AND URBAN MAINTENANCE

The CBCID Business Plan provides for a dedicated maintenance team to look after communal facilities, including fixing pathways, repairing park benches, maintaining sidewalks and park play facilities, public toilets, fencing, street verges, alien vegetation removal and other areas, working together with the City's existing resources for urban maintenance.

Also included in the budget for Environmental Upgrading is provision for ongoing rehabilitation, landscaping, erosion-protection and maintenance of parks and public spaces (including but not limited to the beachfront, forest and picnic sites such as the Big Glen and Little Glen), with the aim of returning these areas to a pristine and safe condition for enjoyment of all residents, not least by minimising opportunities for hidden illegal encampments and reducing hiding places for muggers and other criminals.

As is evidenced by the success of the privately funded rehabilitation and ongoing landscaping and maintenance of the formerly derelict public open space that is now known as the Shanklin Crescent Park, initiatives of this nature substantially enhance the security of green spaces by encouraging more residents to use the space. This in turn creates a virtuous circle in which greater utilization of the space creates even more foot traffic from residents by substantially enhancing the feeling of public safety when users of the space see other residents doing likewise.

In conjunction with the relevant authorities (the City and/or SANParks), the CBCID will also ensure that green belt firebreaks at the urban edge remain clear, also for purposes of clear sight-lines for CCTV cameras.

Where possible, the CBCID will further aim to achieve synergies by integrating programmes for Environmental Development with those of Social and Economic Development, as part of rehabilitation initiatives aimed at reducing vagrancy and homelessness in Camps Bay.

11.1 **Areas within the proposed boundaries of the CID where improvements will be carried out**

The CBCID will, in due course, undertake a review of all areas to determine how to focus these resources, in conjunction with established community organisations.

The beachfront area has been identified by the community as being in particular need of upliftment, with many suggestions received as to how this area could be improved. The Camps Bay CID will work with the community to determine which projects would enjoy the most popular support, and work with the relevant City departments to deliver on upgrading this key area to the benefit of all residents.

Similarly, other public spaces requiring upliftment (including those where crime and vagrancy have been prevalent in recent years, such as the Big and Little Glens, and parks such as the one behind the Camps Bay Club) will be addressed.

11.2 **Compatibility with the City's IDP and section 22(4) of the MPRA**

The proposed improvements are consistent with the City's IDP, Public Space, Environment and Amenities by enhancing the public environment for the benefit of the community and contributing to Objectives 9 (Healthy and sustainable environment) and 11 (Quality and safe parks and recreation facilities).

Expenditure on this programme is summarised in the table below:

Description	Year 1	Year 2	Year 3	Year 4	Year 5	Total Budget
Environmental Upgrading	R1,655,600	R2,249,716	R2,044,688	R2,138,709	R1,829,806	R9,918,519
Urban Maintenance	R1,104,000	R1,203,360	R1,275,562	R1,358,473	R1,453,566	R6,394,961

12 **PROMOTION OF SOCIAL AND ECONOMIC DEVELOPMENT**

CBCID's approach to social and therefore economic development is driven by a principle of social reintegration. CBCID will work with existing City programmes and resources as this has proven to be essential in the delivery of the objectives.

The existing (severely under-funded) Ignisive Community Stewards Programme is a good example of the integrated approach and is the model that the CID will build on. The scheme also integrates into the overall CBCID objectives as it gives additional support to the resources focused on public safety.

Camps Bay, especially the beachfront, is a magnet for vagrants and beggars, especially during tourist season. Various government and municipal entities are tasked with managing the attendant problems of illegal encampments, homelessness, vagrancy and crime – including Western Cape Provincial Social Development, SAPS, Law Enforcement and others.

The methods for dealing with vagrancy and homelessness are different depending on whether single individuals, families or children are involved. Each category has a different process stipulated by the authorities.

Navigating these processes requires significant collaboration. The CID will provide a sustainable solution to this by funding the necessary collaboration and resources required to better coordinate and access existing programmes and implement new programmes for minimising vagrancy and its effects. Where necessary, this will be achieved through partnership with local NGO(s) as part of a formal tender process. These programmes will include:

- Building on the existing Community Stewards Programme, which selects vetted individuals from among Camps Bay's homeless to work as official car guards, provide crime intelligence, help displace aggressive, disorganised car guarding, and offer a dignified transition to formal employment;
- Providing funding for Responsible Giving campaigns, working with restaurants and guest houses to minimise hand-outs to those on the streets;
- Providing a dedicated liaison with SAPS and the City to ensure that Camps Bay issues are on the agenda and dealt with by these organisations;
- Building a database of contacts in existing public and non-governmental organisations who can supplement the resources deployed in Camps Bay;

- Providing Social and Fieldwork services including practical support such as document replacement and family reunification, shelter access and rehab programmes; and
- Offering reintegration support through life skills training, employment opportunities facilitated by initiatives within the CID's Environmental Development, Urban Maintenance, and Cleansing focus areas.

It is important to appreciate that the solutions to vagrancy and begging in Camps Bay fall not only under Social and Economic Development, but are integrated across multiple sections of the Business Plan. Examples of these overlapping components are as follows:

- Projects such as the Community Steward Programme offer both rehabilitation and displacement of informal, often aggressive 'orange bib' car guards, together with the alcohol and drugs problems they bring, providing a safer, cleaner environment on the beachfront;
- Dedicated Law Enforcement officers expedite the removal of illegal structures, promptly dispatch Compliance notices and deal with by-law infringements by vagrants;
- The use of Community Stewards for cleansing and maintenance, environmental upliftment projects and beach patrols, supplementing other Public Safety initiatives; and
- Additional tactical vehicles and foot patrols, aided by camera surveillance to deter and respond to disruptive and/ or criminal vagrant behaviour.

In addition, the CBCID will work with City authorities to test the viability of establishing a dedicated area along the beachfront where buskers (including professional acts) will be permitted and encouraged so that the remainder of the area can remain clear of buskers and beggars. One area under consideration is the vicinity of the old tidal pool which could be revamped for this purpose in conjunction with other environmental upliftment programmes. Failing this, the CBCID will work with the relevant City departments to enforce the current busking and informal trading policies. In coordination with other social initiatives, the CBCID will also discourage the illegal use of child labour by some busking groups. The CBCID will work with existing community groups to further explore solutions.

We believe that it is this combination of strategies together, as opposed to any one single strategy, that will reduce visible vagrancy and promote the enjoyment of public spaces in safety, while simultaneously providing practical assistance, and dignity, to the most marginalised in our neighbourhood.

12.1 **Areas within the proposed boundaries of the CID where improvements will be carried out**

The programme is a flexible resource for the whole CID area.

12.2 **Compatibility with the City's IDP and section 22(4) of the MPRA**

The CBCID will support social upliftment through poverty alleviation and social support initiatives which contributes to Objective 15 (Building a more spatially Integrated and Inclusive City). To promote the building of integrated communities taking part in public participation programmes and building relationships with other areas and NGOs to contribute to spatial integration, transformation, social inclusion, and well-being.

A summary of the expenditure on this programme is set out in the table below:

Description	Year 1	Year 2	Year 3	Year 4	Year 5	Total Budget
Social Upliftment	R2,800,000	R3,052,000	R3,235,120	R3,445,403	R3,686,581	R16,219,104

13 FINANCIAL IMPACT OF THE CID

13.1 Funding of the CID

The CBCID budget will be funded by the property owners within the CID boundaries through an additional property rate levied on the municipal valuation of all eligible properties. Additional rates attract VAT at 15%.

13.2 Calculation of the additional rate

The additional rate is expressed as a 'rate-in-the-rand' and is calculated by dividing the CBCID budget total for that year with the total municipal valuation of all the eligible properties in the CBCID area. The additional rate remains constant for the financial year commencing 1st of July, and will be recalculated annually by the City during the City's budget process.

The CID Policy allows for a differentiation in rates between properties classified as residential and non-residential and both classifications of property are included within the boundaries of the CBCID.

The individual CID contribution for residential and non-residential properties is calculated as follows, where R.0.XXXXXX represents the additional rate 'rate-in-the-rand':

- Property municipal valuation x R 0.XXXXXX = Annual CID contribution (VAT exclusive)
- Annual CID contribution (VAT exclusive) ÷ 12 = Average monthly CID contribution (VAT exclusive)
- Average monthly CID contribution (VAT exclusive) x 1.15 = Average monthly CID contribution (VAT inclusive).

For example, the monthly CID contribution for a property with a municipal valuation of R 15 000 000, assuming a 'rate-in-the-rand' of R0.000915 for Residential properties and R0.001695 for Non-Residential properties would be calculated as follows:

$$R\ 15\ 000\ 000 \times R\ 0.000915 = R\ 13\ 725.00 \div 12 = R\ 1\ 143.75 \times 1.15 = R\ 1\ 315.31 \text{ (Residential)}$$

$$R\ 15\ 000\ 000 \times R\ 0.001695 = R\ 25\ 425.00 \div 12 = R\ 2\ 118.75 \times 1.15 = R\ 2\ 436.56 \text{ (Non-Residential)}$$

The City will pay the CBCID a monthly amount equivalent to one-twelfth of its approved budget less 3% which is retained by the City as a rolling bad debt reserve. The contribution to the rolling bad debt reserve will be kept in a ring-fenced account for the CBCID. At the end of the financial year the City reconciles the billing with the CID budget and any under or over billing is offset against the ring-fenced rolling bad debt reserve account to avoid any cash flow impact on the CID in the case of under billing. This account is subsequently compared with the arrears as at the end of the financial year. When the latter is less than the balance in the rolling bad debt reserve account, 75% of the difference is paid to the CID as per the Finance Agreement concluded between the City and the CID.

The table below gives an indication of the budget of each year of the Business Plan:

YEAR	TOTAL EXPENDITURE	% INCREASE IN ADDITIONAL RATES REQUIREMENT
1	R29,879,085	N/A
2	R30,762,983	3.0%
3	R30,997,361	0.8%
4	R31,084,936	0.3%
5	R32,340,338	4.0%

Financial reporting will occur as follows:

- The progressive monthly income and expenditure reports will be tabled at Board meetings and forwarded to the City on a monthly basis;
- The NPC is required to obtain approval for annual budgets and its implementation plan for the next financial year at the annual general meeting ("**AGM**"). Thereafter it is submitted to the City for inclusion in the City's budget process;
- The CBCID will appoint a service provider (using a competitive process) for accounting services;
- The CBCID will be externally audited; the NPC will appoint (using a competitive process) an external IRBA registered auditor at the AGM;

- Annual Financial Statements need to be audited and presented at the AGM to the members submitted to the City by 31 August each year;
- The performance of the Board, in achieving the objectives as detailed in the Business Plan will be monitored by the members, the community and the City; and
- The NPC will have a memorandum of incorporation ("MOI") as prescribed by the City and as regulated in terms of the Companies Act.

13.3 **Criteria to Qualify for Exemption**

Any property owner who resides within the defined area and receives any form of property rates relief from the City will be exempted from paying the additional rate. It is however incumbent on the property owner, if they have not already done so, to seek such relief from the City under the City's Rates Policy.

14 **PROPOSED MANAGEMENT STRUCTURE**

14.1 **Incorporation of a non-profit company (NPC)**

Once CID approval is received from the City, an NPC (as defined in the Companies Act) will be formed. Board meetings will occur monthly during the first year of operation and it is envisaged that meetings will be bi-monthly thereafter. A bank account will be opened and registration for PAYE and VAT will be conducted.

14.2 **Membership of the CID Company**

Membership of the CBCID Company is open to all eligible ratepayers in the defined area.

14.3 **Composition and election of Directors**

CBCID will have a minimum of 6 board members.

The directors of the CBCID NPC will have specific portfolios to oversee, aligned with the Business Plan. Directors will be elected at the AGM with definite responsibilities for the performance of their designated portfolios determined by the particular requirements of the CBCID at a specific time. Portfolios will often largely coincide with the delineation of CBCID's core business areas. Depending on variables such as directors' personal skills and preferences, portfolios within the Cleansing & Maintenance and Environmental Upliftment core business areas may require periodic adjustment. Specific projects or focus areas may require dedicated attention from a director.

The Executive Mayor will appoint a councillor as observer and an alternate observer to the Board in accordance with sections 21(2) of the CID By-law. The political representative appointed by the Executive Mayor will not have the powers and duties of directors as set out in the Companies Act and the management body's MOI.

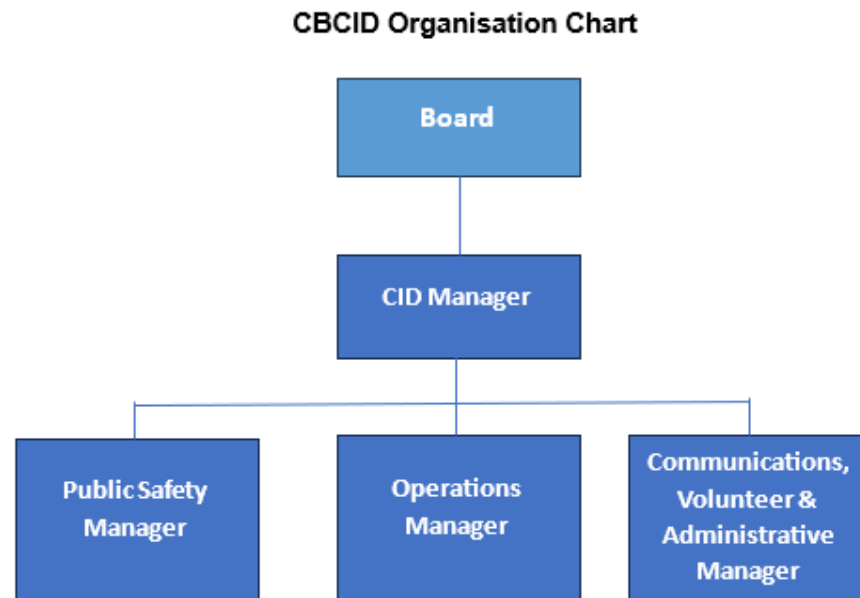

The Board is collectively responsible for the performance of the CBCID and will assign portfolios to Board members consisting of the following:

- 14.3.1 **Chairperson** - Oversight role, chairing meeting and overall direction setting. Delegation of tasks and supervision of operational manager.
- 14.3.2 **Vice Chair** - Support role, including delegation of specific tasks.
- 14.3.3 **Financial** - Responsible for budget, financial management and reporting, including VAT returns. Also responsible for payments and for oversight of required audits.
- 14.3.4 **Public Safety** - Oversight of contract(s) with Public Safety service provider(s) and monitoring the effectiveness of those services.
- 14.3.5 **Cleaning & Maintenance, Environmental and Social and Economic Development** - Responsible for oversight of the inter-related programmes across the 3 areas.
- 14.3.6 **Communications & Supplementary Fundraising** - Responsible for the transparent communication with the community and other interested stakeholders on the ongoing operations, achievement and challenges. Also responsible for possible future fundraising, beyond the existing scope of the CID but for the benefit of the CID.
- 14.3.7 **Legal & compliance** - Responsible for the outsourcing agreements and advising on compliance to the NPC and City requirements.

14.4 **Employees**

Essential to the sustainability of the activities of the CBCID is the professional management of the service providers and the coordination of activities supporting the key objectives.

The Steering Committee envisages that the professional management of the CID will require an operating structure along the lines of the following:

The roles above can be broadly explained as follows:

- The CID Manager will answer to the Board and take overall responsibility for all of the day-to-day operations of the CID. All of the other roles will report to the CID Manager, who will also be responsible for the commercial functioning of the CID and liaison with the City and other related structures;
- The Public Safety Manager will be responsible for oversight of all public safety service providers and will interface on a day-to-day basis with SAPS and other local security structures;
- The Operations Manager will be responsible for the oversight and delivery of all of the activities within the Cleansing, Urban Maintenance and Social and Economic Development plans. This includes the daily operations of the teams, liaison with the service providers and co-ordination and integration of the activities across these related areas; and
- The Communications, Volunteer & Administrative Manager will be responsible for the liaison with volunteers, communicating with residents and providing administrative support.

In further detail, the **CID Manager**'s key responsibilities will include:

- In conjunction with the Board, ongoing development and maintenance of the overall strategy of the CID to achieve its goals and objectives;
- Development, implementation and management of plans and programmes in accordance with the strategy agreed with the Board;

- Control of the CID's finances, in particular ensuring that expenditures remain in line with approved budgets, or otherwise ensuring that any anticipated significant deviations are promptly brought to the attention of the Board for consideration and approval;
- Management and oversight, together with relevant managers as set out in the organisation chart above, of the key activities of the appointed contractors;
- Holding the City to account in the provision of the base level services to which ratepayers are already entitled;
- Support to the chairperson to ensure effective functioning of the Board;
- Regular reporting to the Board concerning the performance of CID resources, in particular comparison of actual delivery against expectations within the Business Plan;
- Working with relevant City departments and other government structures to ensure delivery of activities from the Business Plan and the existing services;
- Maintaining the overall compliance framework, working as necessary with individual board members and financial managers;
- Review and bringing forward opportunities to improve the services of the CBCID;
- Liaison with all key stakeholders in Camps Bay, including the commercial sector; and
- Overall commercial functioning of the CID within the constraints of the Business Plan.

The **Public Safety Manager** will have a strong background in security and this role will include:

- Commanding the CID's Tactical vehicles;
- Liaising with all other security providers and private operators to ensure a seamless response to alerts and incidents;
- Liaising with street-level camera schemes and relevant residents to ensure the efficiency of schemes and efficient integration with other CID assets;
- Attending crime scenes and ensuring proper follow up, assisting in opening cases with SAPS, liaising with SAPS, Law Enforcement and other authorities to ensure prosecution of offenders;
- Collating data on reported incidents and crimes in conjunction with the centralised control room;
- Communicating with the community via email and social media groups on matters pertaining to public safety, including crime alerts and feedback on crime incidents; and
- Assisting residents with security concerns.

The **Operations Manager** will be responsible for a wide range of activities and resources and the role will include:

- Delivery of the identified urban maintenance programme through daily allocation and supervision of resources;
- Coordination of the cleansing resources in a flexible and adaptive manner to maintain the overall cleanliness of the suburb and

react to hot spots such as dumping;

- Coordination of the service providers in Urban Maintenance, Cleansing and Social Development to ensure programmes deliver for the benefit of all areas;
- Operational responsibility for implementing Environmental Development upgrading programmes;
- Working to ensure maximisation of local job creation through the management of these activities and integration with Social Development;
- Working closely with the Public Safety Manager to ensure programmes also improve the safety of public areas; and
- Assisting the CID Manager as needed in the day-to-day running of the CID.

The **Communications, Volunteer & Administrative Manager** will coordinate and manage general communications with residents, procure and manage volunteers, and generally support the remainder of the management team. Responsibilities of this role will include:

- Communications with residents, via CID website, email, WhatsApp / Telegram and social media;
- Management of the CID's database for the abovementioned communication channels
- Preparation for, and coordination of, CID general meetings, including AGM, ensuring that all necessary documentation is prepared in good time, suitable venues are procured, meetings are advertised, etc;

- Coordination and management of Board meetings, ensuring that all Board members remain properly informed of the activities of the CID;
- Support for, and coordination with, existing neighbourhood volunteer initiatives;
- Establishment of additional volunteer initiatives to assist in delivery of CID functions, together with procurement and management of volunteers for such initiatives;
- Arrangement of social functions for volunteers and other members of the community;
- Supporting the CID Manager, the Public Safety Manager and the Operations Manager, including project and diary management and in their interactions with service providers, in particular so that they can be freed up as much as possible to deliver effective services to the neighbourhood; and
- Office and general administration, including appropriate record-keeping at Board and other meetings.

14.5 **Measures to ensure inclusivity**

The CBCID will ensure inclusivity via the annual general meeting publication of notice of meetings, agendas, minutes and dates of Board meetings. Members of the company or of the broader community will be invited to attend the first part of Board meetings to raise questions.

14.6 Financial and Performance Reporting requirements vis-à-vis the City

The CID appointed accountant and auditor will meet all required financial compliance requirements.

Description	Year 1	Year 2	Year 3	Year 4	Year 5	Total Budget
Accounting Fees	R90,000	R97,200	R105,948	R113,364	R121,300	R527,812
Auditors Remuneration	R50,000	R54,000	R58,860	R62,980	R68,019	R293,859

Financial reporting will occur as follows:

- The progressive monthly income and expenditure reports will be tabled at Board meetings and forwarded to the City on a monthly basis;
- The NPC is required to obtain approval for annual budgets and its implementation plan for the next financial year at the AGM. Thereafter it is submitted to the City for inclusion in the City's budget process;
- The CID will appoint a service provider (using a competitive process) for accounting services;
- The CID will be externally audited; the NPC will appoint (using a competitive process) an external IRBA registered auditor at the AGM;

- Annual Financial Statements need to be audited and presented at the AGM to the members submitted to the City by 31 August each year;
- The performance of the Board of Directors, in achieving the objectives as detailed in the Business Plan will be monitored by the members, the community and the City; and
- The NPC's MOI will conform with the City's requirements.

15

PERMISSIBLE AMENDMENTS TO THE BUSINESS PLAN

If, at any time, it were decided that the geographical boundaries of CBCID needed to change, then such change would need to go through a formal process as required in terms of section 26 of the CID By-law.

If additional services are required, stemming from collaboration with City departments, which are not specified in the motivation report but deemed supplementary municipal services, the business plan can be amended without further consent by submitting a request to the City in terms of section 25 of the CID By-law as long as it is not material.

PART B - IMPLEMENTATION PLAN

CAMPS BAY CITY IMPROVEMENT DISTRICT

5 YEAR IMPLEMENTATION PLAN

1st July 2024 to 30th June 2029

MANAGEMENT AND OPERATIONS											
NO.	ACTION STEPS	KEY PERFORMANCE INDICATOR	FREQUENCY per year	DURATION IN WEEKS, MONTHS OR YEARS					RESPONSIBLE	REPORTING LEVEL	COMMENTS

*** Explanatory note 1: This template serves as a guide for steering committees when compiling their proposed public participation plan for approval by the Executive Director as contemplated in section 6(2) of the CID By-law. The template provides examples of a wide range of notification and consultation methods that may be employed. The steering committee should identify methods that would be both meaningful and cost-effective, taking into account the particular characteristics of the local community of the proposed CID. Where the proposed methodology deviates from any mandatory requirements in terms of the By-law, the steering committee must motivate such deviation to the program.

*** Explanatory Note 2: "local community" in relation to a CID-

means the body of persons comprising individuals falling under one or more of the following categories –

- (a) property owners in the district, irrespective of whether or not they will be liable for paying the additional rate;
- (b) residents of the district;
- (c) tenants and body corporates in the district;
- (d) any civic organisations and non-governmental, private sector or labour organisations or bodies which are involved in local affairs in the district affected by the proposed improvement or upgrading of the district.

PUBLIC PARTICIPATION PLAN (required under s. 6(2) of CID By-law)					
A. Proposed Methods of Notification (requirement under s. 6(7))					
Notification Medium	Details	Targeted Interested & Affected Party ("I&AP")	By-law	Policy	Deviation sought?
Internet	Steering Committee's Website at www.campsbaycid.org	Local community & proposed Additional Rate Payers (ARPs)		Clause 9.4.3	N
Email notification	Email documents & notices to email addresses of proposed ARPs- (a) contained in the City's records; ¹ and/or (b) listed in the steering committee's register of members of the local community (clause 9.3).	Proposed ARPs	s. 6(7)(a)(i)	Clause 9.4.1	N
	Email documents & notices to email addresses of- (a) local community members listed in the steering committee's register of members of the local community (clause 9.3); and (b) NGOs and other community organisations carrying on activities in the proposed Camps Bay CID. ²	Local Community and other affected parties such as NGOs	s. 6(7)(a)(ii)	Clause 9.4.1	N
Notification Medium	Details	Targeted Interested & Affected Party ("I&AP")	By-law	Policy	Deviation sought?
Registered Mail	Post relevant documents or notice to: (a) Those ARPs for whom the steering committee does not have email addresses; and (b) Members of the local community contemplated who have not provided email addresses for purposes of the written notice	Proposed ARPs & Local Community	s. 6(7)(b) read with s.1 definition of "written notice".	Clause 9.4.1	Y The anticipated success from the use of registered mail does to justify the cost. The majority of ARPs will be reached through other means of communication.

¹ The City will provide the steering committee with those contact details, which ratepayers have provided to the City. In terms of a POPI Act declaration signed by the steering committee, personal information received from the City can only be used for the CID establishment process and furthermore may not be shared or disclosed to third parties unless the third party was appointed by the steering committee and has signed the same undertaking.

² The steering committee should identify NGOs and community organisations (such as churches, clubs and social welfare organisations) carrying out activities in the proposed district and list their names and contact details in the steering committee's register of members of the local community.

Email notification/Physical meeting	Over and above the public meetings required in terms of section 6 of the By-Law; (a) The steering committee shall convene one or more focus groups for purposes of conveying information about, (b) Eliciting comment on, both draft and final business plans, and (c) Group(s) should consist of between 3 to 15 participants.	Sub-Council, NGOs and any other focus groups		Clause 9.8	N
Newspapers	Newspaper advertisements ³ in: (a) Die Burger (b) The Atlantic Sun	Proposed ARPs & Local Community	s. 6(7)(b)	Clause 9.4.4	N
Public Notices	Public notices to be affixed at the following locations [e.g.]: (i) Library at The Drive, Camps Bay, 8005 (ii) Notice boards at the following shopping complex: (a) The Promenade Victoria Rd, Camps Bay, Cape Town, 8040 (iii) Rontree Service Station 2A Rontree Ave, Bakoven, Cape Town, 8005 (iv) The Glen Country Club 1 Victoria Rd, Clifton, Cape Town, 8005 (v) Vida Cafe 61 Victoria Rd, Camps Bay, Cape Town, 8005 (vi) The Social Club - Camps Bay Sports Field CB Primary School Newsletter	Proposed ARPs & Local Community	Not a legal requirement	Not a legal requirement	N
Other means	Broadcasts via social media channels and messaging apps. Facebook, Instagram, Telegram and WhatsApp Groups	Proposed ARPs & Local Community		Clause 9.4.5	
Proposed Date	Proposed Action	Content of Register	By-law	Policy	Deviation sought?
17 Feb 2023	Open and maintain a register of member of the local community. "local community" in relation to a CID- means the body of persons comprising individuals falling under one or more of the following categories – (a) property owners in the district, irrespective of whether or not they will be liable for paying the additional rate; (b) residents of the district; (c) tenants and body corporates in the district;	Names, contact details & addresses of persons listed in s. 6(8) of the By-law.	s. 6(8)	Clause 9.3	N

³ If a local community consists of a large population whose first language is not English or Afrikaans, the steering committee may need to place their notices in a local community newspaper which is published in that language.

	(d) any civic organisations and non-governmental, private sector or labour organisations or bodies which are involved in local affairs in the district affected by the proposed improvement or upgrading of the district.				
Proposed Date	Proposed Action	Targeted Interested & Affected Party (“I&AP”)	By-law	Policy	Deviation sought?
28 Feb 2023	Convene focus groups consisting of the following groups of people: (i) Representatives of NGOs’ in local community; (ii) Representatives of any neighbourhood watch association in the local community and Community Policing Forum members; (iii) ARPs	Local Community & Proposed ARPs		Clause 9.8	N
Date	Notification Mediums	Content of Notice	By-law	Policy	Deviation sought?
28 Jul 23	(i) Website; (ii) Email; (iii) Registered mail; (iv) Public notices; (v) Newspaper advertisement; (vi) Posters	<p>PLEASE TAKE NOTICE THAT:</p> <ol style="list-style-type: none"> Spencer McNally, the registered owner of Erf no. 675, 28 Shanklin Crescent, Camps Bay, Cape Town, intends to apply for the establishment of a City Improvement District in terms of the City of Cape Town: City Improvement District By-Law, 2023 (the “By-law”), read with the City of Cape Town’s: City Improvement District Policy, 2023. The proposed Camps Bay CID will include all non-residential and residential properties in the area within the following geographical boundaries: Northern Border: Kloof Road; Southern Border: Oudekraal Estates; Eastern Border: Camps Bay Drive, Hely Hutchinson Avenue & Theresa Avenue; Western Border: Victoria Road. **Camps Bay
City Improvement District**

Urban Management Survey Results

22 April 2023

Executive Summary

A Steering Committee has been established to investigate whether Camps Bay would benefit from a City Improvement District. A requirement of the process is an Urban Management Survey, the results of which are set out herein and which will be used to inform a Business Plan to be formulated by the Steering Committee and presented to the community at an upcoming Public Meeting.

883 responses were received to the survey, of which 95% were from property owners, two-thirds of whom are primarily resident in Camps Bay, 61% are male, just under 40% have ever rented their properties out, 32% have children under the age of 18, and almost a quarter are foreign citizens (with another 12% holding dual citizenship). Almost two-thirds of respondents have owned and/or lived in Camps Bay for more than 10 years, and more than 75% are over the age of 50. All sectors of the neighbourhood were well represented.

More than 80% of respondents are worried about overall safety in Camps Bay, with similar numbers feeling less safe than before in public spaces and concerned or very concerned about major crimes such as burglary and home invasion, while less than 20% rate SAPS effectiveness as “Good”. Approximately 70% of respondents agree that public service delivery has declined and are dissatisfied with overall cleanliness in Camps Bay. More than 90% are concerned about the level of homelessness in Camps Bay.

A majority of respondents support improvements in services with regard to all of the above areas, while a very strong majority (82%) support the establishment of a City Improvement District.

Background

In October 2022, two men were shot dead in broad daylight on the Camps Bay beachfront. One of the victims was allegedly a rogue taxi operator, the other was a young man simply unlucky enough to be in the wrong place at the wrong time. This was by far the worst public safety incident in Camps Bay in recent years, but it was not an isolated incident. Housebreaking, burglary, muggings and petty crime have become commonplace in the neighbourhood in recent years, along with increasing vagrancy, substance abuse and the social and other accompanying problems.

The worsening situation described above is despite a number of active neighbourhood civic volunteer organisations which have for many years been dedicated to addressing these problems, such as:

- Camps Bay and Clifton Ratepayers Association (CBCRA)
- Community Policing Forum (CPF) and Camps Bay Watch (CBW)
- Camps Bay Community Security Initiative (CBCSI) and Camps Bay and Clifton Safe Community Trust (CBCSCT)
- Ignisive (previously known as Community Who Cares)

As is often the case with such organisations, all of the above are under-funded and under-resourced, and most are unsustainable. The majority of neighbourhood safety-related services are provided by CBCSI, which is funded by voluntary donations, overseen by over-stretched volunteers, operates at a loss and has insufficient reserves to survive much beyond the middle of 2024. All of the other organisations are similarly operating on shoestring budgets and overseen or staffed by volunteers, many of whom are burnt out and/or unable to commit the significant time required.

Motivated by the above, concerned members of the Camps Bay community have established a Steering Committee (SC) to investigate whether the area would benefit from a City Improvement District (CID).

In accordance with relevant by-laws and other stipulated requirements set out by the City of Cape Town (CoCT):

- The SC met with relevant CoCT officials to register itself and declare the boundaries of the proposed CID.
- CoCT confirmed that all members of the SC are in good standing with the City and that the rates collection ratio for properties within the boundaries of the proposed CID exceeds 95% over the past 12 months.
- CoCT provided the SC with a database of Camps Bay ratepayers in compliance with the Protection of Personal Information Act.
- An Urban Management Survey (UMS) was designed by the SC and approved by CoCT. The purpose of the UMS is to identify local community, public and ratepayers' concerns and therefore appropriate supplementary municipal services priorities for the Camps Bay area.
- As set out in further detail below, the UMS was distributed by the SC to all property owners in Camps Bay for whom valid contact details could be obtained, as well as made available for completion by commercial and residential tenants.

This document sets out the results of the UMS, which will inform the Business Plan for the proposed CID. In due course, the Business Plan will be presented at a Public Meeting, and must be supported by no less than 60% of the property owners in the CID area and by the City of Cape Town if the CID is to be established.

The borders of the proposed CID are indicated by yellow lines on the map following. With the exception of Camps Bay High School and Glen Beach (areas which are included within the proposed Clifton CID), all of Camps Bay and Bakoven is included within the boundaries of the proposed CID.

Sample Requirement and Construction

The Municipal by-laws regarding CIDs require that a UMS be conducted on a sample consisting of no less than 20% of Additional Rate Payers (ARPs), randomly selected and with owners of multiple properties counted only once. With 2,308 ARPs in Camps Bay, a minimum of 462 UMS responses is required.

The SC felt that it would be more appropriate to seek opinions from the entire neighbourhood and the UMS was therefore distributed to all property owners for whom valid email addresses could be obtained. The UMS was also open for completion by commercial and residential tenants and other non-property-owning parties by means of various other channels, as set out in the section that follows.

Methodology

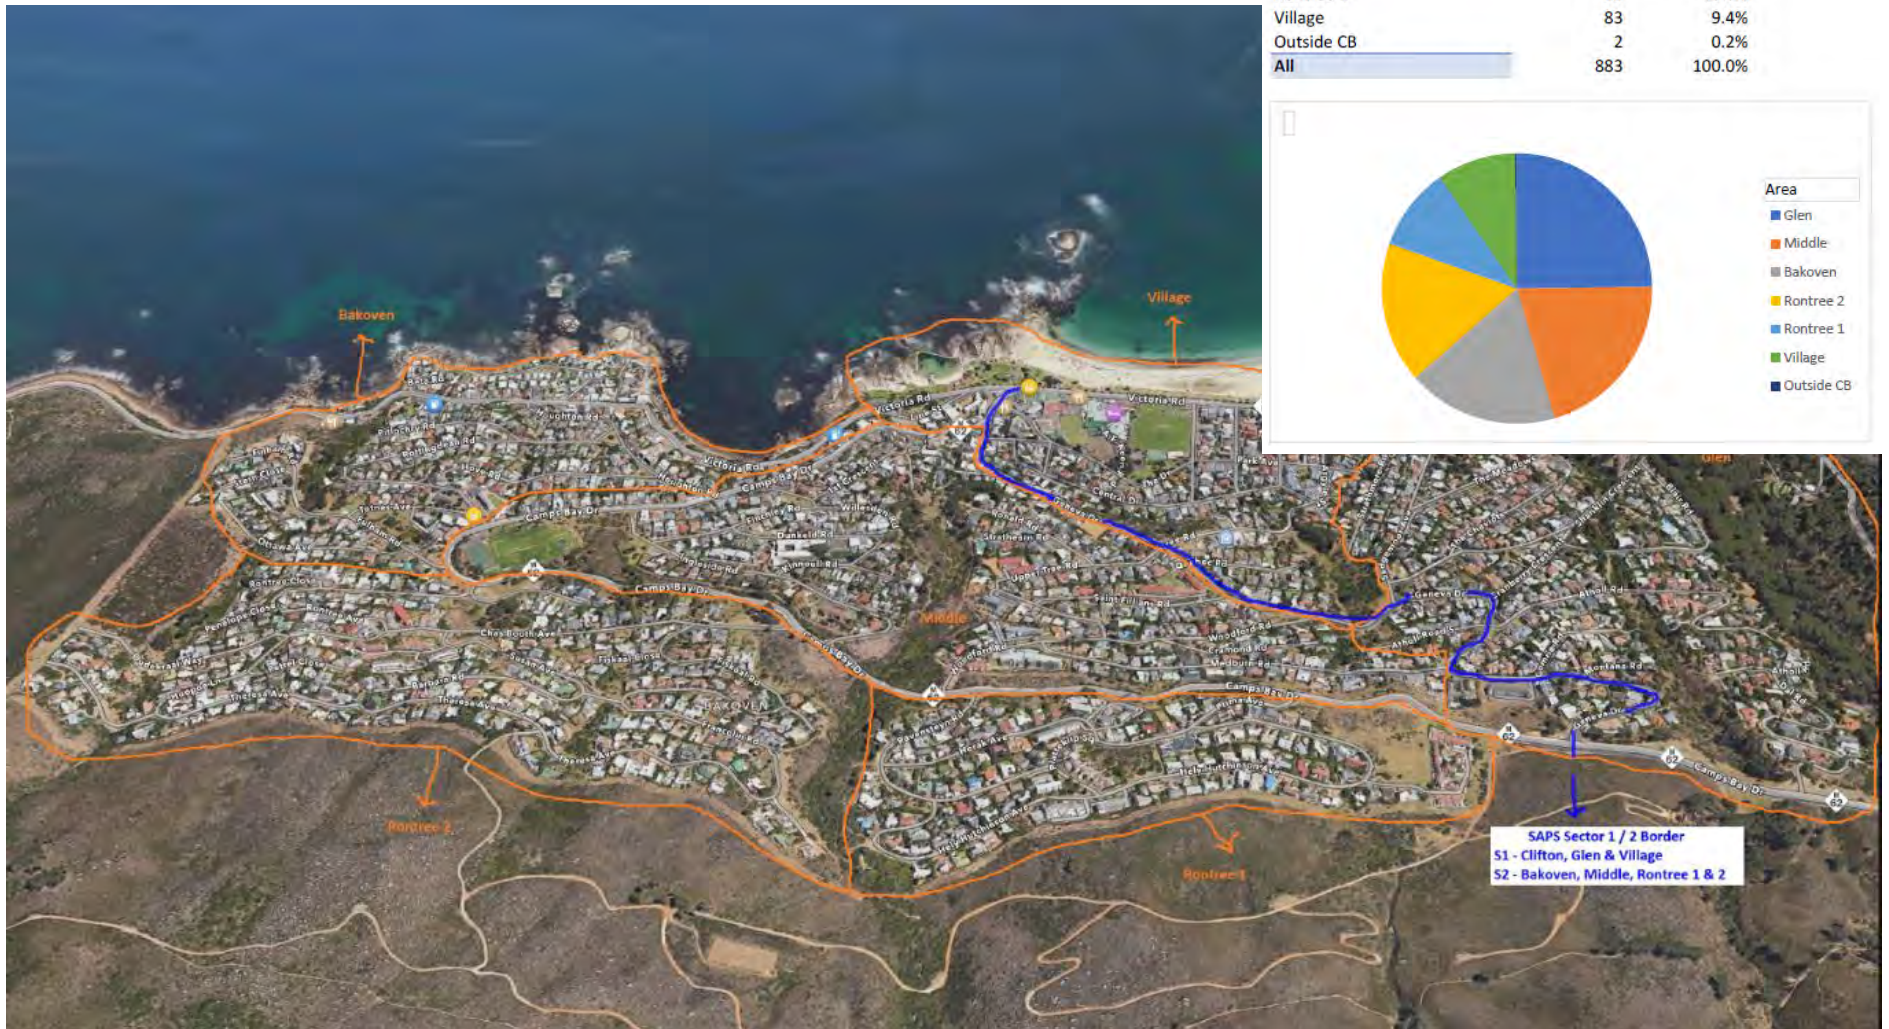

The UMS was conducted online, with invitations to complete the survey distributed primarily by email. Approximately 1,400 unique email addresses were supplied by CoCT, with a further 543 obtained by the SC through phone calls and personal visits to property owners for whom CoCT did not supply an email address. The remaining properties are primarily accounted for by persons or entities that own multiple properties or who are ineligible to vote (e.g., CoCT owns various properties in Camps Bay, mostly public open space), leaving only a small minority of properties (135) without a valid email address available. The survey remained open for completion for more than 3 weeks, from 28 February to 21 March 2023. Regular email reminders were sent and invitations and reminders were also posted on various community Telegram and WhatsApp groups.

Area	Launch Email	Reminder Email 1	Reminder Email 2	Reminder Email 3

Middle				
Rontree 2				

Responses and Demographics

The survey was completed by 883 property-owners and residential and commercial tenants, substantially exceeding the minimum requirement of 462 responses. The table at right shows the split of responses across the different areas of Camps Bay.

Area	Count	% of Total
Glen	219	24.8%
Middle	183	20.7%
Bakoven	159	18.0%
Rontree 2	149	16.9%
Rontree 1	88	10.0%
Village	83	9.4%
Outside CB	2	0.2%
All	883	100.0%

Approximately 95% of the responses were provided by property-owners or their representatives. Of some interest is the very high rate of non-primary residence evidenced by only 66% of respondents counting Camps Bay as their primary residence. This is underscored by the high rate of ownership by foreigners, with almost a quarter being foreign citizens. Just over 60% of respondents were male, almost a third have children under 18 in their household and almost 40% have ever rented their property out.

Ownership Status	Count	% of Total

Almost two-thirds of respondents have owned and/or lived in Camps Bay for more than 10 years, and more than 75% are aged 50 or older. A significant number of individuals submitted responses from all areas of the neighbourhood.

Years Owned in CB	Count	% of Total

Findings: Summary

In summary, the response of Camps Bay's residents to the UMS paints a picture of a community that is very worried about safety and security, feels significantly less safe than before in all public spaces of the neighbourhood, is somewhat concerned about reducing levels of public service delivery and cleanliness, and is very concerned about the rising level of homelessness.

A significant majority therefore supports the formation of a CID to address these concerns.

Significant findings from the survey are highlighted in the pages that follow. Complete details of all questions and responses, with analysis by reference to key demographics, can be found in the accompanying 47-page addendum.

Findings: Overall Perceptions

The following table shows the eight questions that respondents were asked in order to gauge their overall perceptions regarding issues of relevance to the CID. As shown, each response was assigned a numerical value from 1 to 5, thereby allowing an average response to be calculated (shown below in the “Total” column for each question) alongside the percentage of respondents who selected each of the possible responses. The two columns at right aggregate the non-neutral responses in order to summarise how respondents feel in general. Colour-coding is used to visually represent the responses, with colours on the red/orange spectrum indicating lower or less positive responses and colours on the green spectrum showing the opposite.

Average Response			Detailed Responses					Aggregated Responses	
Question Number	Question	Total	1. Agree Strongly	2. Agree	3. Neutral	4. Disagree	5. Disagree Strongly	Agree Strongly + Agree	Disagree Strongly + Disagree
1	I am worried about the current overall level of safety and security in Camps Bay.	1.8	45.2%	37.0%	13.0%	3.9%	0.9%	82.2%	4.8%
2	I feel less safe in my home than I did in the past.	2.2	29.6%	33.1%	27.7%	7.9%	1.7%	62.6%	9.6%
3	I feel less safe in the street at night in Camps Bay than I did in the past.	1.8	46.0%	33.1%	15.3%	4.3%	1.4%	79.0%	5.7%
4	I feel less safe on the Camps Bay beachfront and in other public spaces than I did in the past.	1.8	47.9%	32.2%	13.7%	5.2%	1.0%	80.1%	6.2%
5	I feel less safe hiking on mountain trails above Camps Bay than I did in the past.	1.7	50.3%	32.3%	12.3%	3.9%	1.2%	82.6%	5.1%
6	I feel that the level of public service delivery from the City of Cape Town has reduced in recent years.	2.1	33.0%	36.5%	23.9%	5.7%	1.0%	69.4%	6.7%
7	I am dissatisfied with the overall level of cleanliness in Camps Bay.	2.1	32.5%	38.5%	20.8%	7.2%	0.9%	71.0%	8.2%
8	I am worried about the level of homelessness in Camps Bay.	1.4	65.0%	28.4%	4.8%	1.4%	0.5%	93.4%	1.8%

As shown in the table above, safety is a major concern amongst residents of Camps Bay. Responses to the first question indicate that 82% of residents are worried or very worried about the overall level of safety in the neighbourhood. Respondents feel more unsafe than before, whether that be on the street at night, on the mountain, or in their homes. Respondents are generally dissatisfied with public service delivery and cleanliness in the neighbourhood. More than 90% are worried about homelessness.

Analysis of responses with reference to length of residence (shown in the table below as the average value for all respondents within each demographic category) shows that those who have lived in Camps Bay between 5 and 9 years have the worst opinion of safety in the neighbourhood, but for the most part opinion is consistent across length of residence. This supports the sentiment that the overall safety of the neighbourhood has declined. The concern regarding homelessness is especially evident. Similar patterns are seen for length of property ownership in Camps Bay (data not shown below, see addendum for further details).

Percentage of Respondents		Years Lived in CB			
		1 - 4 years	5 - 9 years	10 - 19 years	20+ years

1	I am worried about the current overall level of safety and security in Camps Bay.	1.8	1.6	1.7	1.8	1.7
2	I feel less safe in my home than I did in the past.	2.3	2.1	2.2	2.2	2.2
3	I feel less safe in the street at night in Camps Bay than I did in the past.	1.8	1.7	1.8	1.8	1.8
4	I feel less safe on the Camps Bay beachfront and in other public spaces than I did in the past.	1.8	1.6	1.8	1.8	1.8
5	I feel less safe hiking on mountain trails above Camps Bay than I did in the past.	1.8	1.7	1.7	1.7	1.7
6	I feel that the level of public service delivery from the City of Cape Town has reduced in recent years.	2.2	2.1	1.9	2.0	2.0
7	I am dissatisfied with the overall level of cleanliness in Camps Bay.	2.0	2.0	2.0	2.1	2.0
8	I am worried about the level of homelessness in Camps Bay.	1.5	1.4	1.4	1.4	1.4

Additionally of interest - perhaps worryingly - members of the community with children under the age of 18 felt significantly less safe / more concerned on average:

Percentage of Respondents		Children Under 18		
		No Response	No	Yes
Total		0.8%	66.8%	32.4%

Average Response Question Number	Question	Children Under 18			Grand Total
		No Response	No	Yes	
1	I am worried about the current overall level of safety and security in Camps Bay.	1.3	1.9	1.6	1.8
2	I feel less safe in my home than I did in the past.	1.4	2.3	2.0	2.2
3	I feel less safe in the street at night in Camps Bay than I did in the past.	1.4	1.9	1.6	1.8
4	I feel less safe on the Camps Bay beachfront and in other public spaces than I did in the past.	1.6	1.9	1.6	1.8
5	I feel less safe hiking on mountain trails above Camps Bay than I did in the past.	1.6	1.8	1.6	1.7
6	I feel that the level of public service delivery from the City of Cape Town has reduced in recent years.	2.3	2.1	1.9	2.1
7	I am dissatisfied with the overall level of cleanliness in Camps Bay.	2.0	2.1	1.9	2.1
8	I am worried about the level of homelessness in Camps Bay.	1.4	1.5	1.3	1.4

Perhaps unsurprisingly, South African citizens and full-time residents feel less safe than foreigners and those for whom Camps Bay is not their primary residence. This can be explained by greater exposure of full-time residents to local crime news and greater likelihood of falling victim to crime or knowing other victims of crime. In contrast, there are no significant differences between local and foreign perceptions of public service delivery, cleanliness and homelessness, explainable by all of these issues being very visually evident in Camps Bay and hence perceptions thereof are less likely to be diluted by distance and/or only visiting irregularly.

Percentage of Respondents		Nationality		
		Other	SA	SA & Other

7	I am dissatisfied with the overall level of cleanliness in Camps Bay.	2.1	2.0	2.1
8	I am worried about the level of homelessness in Camps Bay.	1.6	1.4	1.4

There were no significant differences in any of the overall perceptions by reference to ownership status, gender, area of residence or whether a respondent had ever rented their property out. Perceptions by age group were also relatively consistent, other than at younger ages (where the sample size was relatively small).

Findings: Safety & Security (Major Crimes)

Regarding major crimes, there is little deviation from the overall perceptions of safety. 90% of the community are at least slightly concerned about burglary, with almost 60% being very concerned. A similar number worry equally about home invasions. Less than 1% of the community are not at all concerned by these issues.

Average Response		Detailed Responses					Aggregated Responses		
Question Number	Question	Total	1. Very Concerned	2. Slightly Concerned	3. Neutral	4. Not Very Concerned	5. Not At All Concerned	Very + Slightly Concerned	Not Very + Not At All Concerned
9	How concerned are you about the risk of burglary in Camps Bay? A burglary is defined as theft from an unoccupied property.	1.5	59.6%	30.9%	5.4%	3.4%	0.7%	90.5%	4.1%
10	How concerned are you about the risk of home invasion in Camps Bay? A home invasion is defined as the crime of entering a dwelling and committing or with intent to commit a crime (as assault) while armed and while another is lawfully present.	1.7	53.2%	34.3%	6.1%	5.4%	0.9%	87.5%	6.3%
11	How concerned are you about drug / alcohol related crime in Camps Bay?	1.7	49.6%	33.4%	11.6%	4.4%	1.0%	83.0%	5.4%

Further analysis by reference to area suggests the positive impact of the deployment of additional, visible safety-related resources. The Glen and Rontree 1 areas, collectively comprising more than a third of respondents and both having benefited from the implementation of private guard and camera schemes in some of the roads in these areas, both scored relatively better than other areas with relatively fewer such schemes in place.

Percentage of Respondents		Area						
		Bakoven	Glen	Middle	Outside CB	Village	Rontree 1	Rontree 2
Total		18.0%	24.8%	20.7%	0.2%	9.4%	10.0%	16.9%

Average Response		Area

10	How concerned are you about the risk of home invasion in Camps Bay? A home invasion is def	1.4	1.7	1.5	1.7
11	How concerned are you about drug / alcohol related crime in Camps Bay?	2.1	1.8	1.6	1.7

For South African vs. foreigner and primary residence vs non-primary splits, the former in both cases again feel more concerned than the latter. Differences were not marked in any of the other demographics.

In the comments section, over 250 comments were received. Many were personal accounts by residents who have been recent victims of crime, in many cases multiple times. The beachfront area was highlighted as a hotspot for drug-related crime, including aggressive vagrants and unofficial car guards. Many residents had observed drug transactions taking place, including drugs being offered to minors.

Findings: Safety & Security (CBCSI, SAPS and Law Enforcement)

Over 80% of respondents were aware to some degree about CBCSI, the majority of those believing themselves to be very informed about its operations and capacities. Only a small minority of respondents do not believe that CBCSI makes any difference.

Average Response			Detailed Responses		
Question Number	Question	Total	1. Yes, I knew all of that	2. Yes, but I only knew about some of it	3. No, never heard of CBCSI before today
12	Are you aware of the Camps Bay Community Safety Initiative (CBCSI, cbcsl.org), which comprises a network of security cameras (including license plate recognition cameras linked to law enforcement databases), a 24/7 helpline and control room available to all residents, 24/7 dedicated armed response officers in a tactical response vehicle ("TAC1"), and victim support services?	1.6	57.2%	24.2%	18.6%

Average Response			Detailed Responses		
Question Number	Question	Total	1. Yes, very much so	2. Maybe a little bit	3. Does not make much difference
13	Do you think that CBCSI helps to reduce crime in Camps Bay?	1.8	55.8%	25.7%	2.7%

The proportion of respondents rating the performance of SAPS as Poor is more than double those that believe it to be Good, with 40% of respondents having a negative view and only 17% reporting SAPS as effective. The overall perception of law enforcement in the suburb is not good, which no doubt contributes to the prevalent negativity regarding public safety.

Average Response			Detailed Responses		
Question Number	Question	Total	1. Poor	2. Fair	3. Good
14	How would you rate the current effectiveness of SAPS in Camps Bay?	1.8	40.3%	39.1%	17.6%

A majority of respondents were not aware that CBCSI is financially unsustainable. An overwhelming majority of respondents would like to see additional law enforcement services in Camps Bay, most notably foot and vehicle patrols, which 92% of the community reported they would welcome. The overall poor rating of SAPS is reflected by the community’s overwhelming desire for additional officer presence in the area.

Average Response		Detailed Responses			
Question Number	Question	Total	1. Yes	2. No opinion	3. No
15	Are you aware that CBCSI, which is funded via voluntary monthly contributions from residents, is currently operating at an unsustainable financial deficit?	2.1	43.5%	0.0%	56.5%
16	Law Enforcement officers enforce bylaws (littering, noise pollution, alcohol abuse, veld fires, illegal structures etc.) Would you like to see more Law Enforcement officers dedicated to Camps Bay?	1.1	89.1%	7.8%	3.1%
17	Metro police enforce by-laws, traffic laws and assist in crime prevention. Would you like to see more Metro Police officers dedicated to Camps Bay?	1.2	84.1%	11.4%	4.4%
18	Would you support a suburb-wide initiative for monitored cameras, including licence plate recognition cameras and thermal cameras along mountain boundaries?	1.2	86.3%	9.9%	3.9%
19	Would you welcome additional public safety services such as foot and vehicle patrols?	1.1	92.1%	5.4%	2.5%

Naturally, older primary residents and those who have owned or lived in the area for longer were more likely to know about CBCSI. There were no significant differences in any of the other demographics. For detailed tables please see the addendum.

In the comments section, support was expressed for manned huts and a strong presence at the three entry and exit roads into Camps Bay (manned huts were previously funded by CBCSI, situated at the positions mentioned; these were removed a few years ago, at least in part due to lack of financial support for CBCSI, making continued provision of these services financially unsustainable). Many respondents indicated that they would like to see foot patrols focused on the beachfront and greenbelt areas as priorities.

Findings: Cleanliness & Urban Management

Responses to survey questions indicated that the community on average considers most aspects of public cleanliness (with the notable exception of concerns regarding illegal dumping) and maintenance to be tolerable. Notwithstanding this, many comments were received indicating multiple areas of concern beyond only illegal dumping (see further detail below). There were no notable differences in responses by reference to any of the demographic factors.

Average Response			Detailed Responses					Aggregated Responses	
Question Number	Question	Total	1. Excellent	2. Good	3. Tolerable	4. Bad	5. Really bad	Excellent + Good	Bad + Really Bad
20	How would you rate the overall public cleanliness of Camps Bay Beach and beachfront?	2.9	1.9%	32.2%	45.0%	16.2%	4.8%	34.1%	21.0%
21	How would you rate the overall public cleanliness of your immediate neighbourhood?	2.4	8.4%	53.1%	28.8%	8.2%	1.6%	61.5%	9.7%
22	How would you rate your perception of illegal dumping in Camps Bay, (including building rubble, vagrant litter, solid waste)?	3.3	1.1%	16.0%	41.7%	36.1%	5.1%	17.1%	41.2%
29	The state of maintenance of our public walkways, pavements and benches is...	2.8	2.0%	38.5%	42.0%	14.6%	2.8%	40.5%	17.4%
30	The state or maintenance of our public parks is...	2.8	1.4%	37.6%	42.4%	16.6%	2.0%	39.0%	18.7%

The most notable concern in evidence relates to the mess caused by vagrants and “bin pickers”. This is clearly a major inconvenience for residents that a CID could greatly assist with by providing additional cleansing services and addressing homelessness by way of social upliftment and other initiatives. Similarly, it is clear that additional recycling collection services would be welcomed. Significant majorities of respondents would like to see greater care of public spaces, better management of burst drains, and better management of traffic and speeding. Less than a majority (but still a significant percentage) would like to see improved maintenance of street verges and more public litter bins. For the most part there were no notable differences in the demographic splits for these questions, save for an unsurprising difference regarding additional play facilities for children, where those with children under the age of 18 were significantly more in favour.

Average Response		Detailed Responses			
Question Number	Question	Total	1. Yes	2. No opinion	3. No
24	Do you think that there are sufficient public litter bins in Camps Bay generally? If no, where do you suggest they be placed?	2.1	29.9%	29.2%	40.9%
25	Do you think that there are sufficient public litter bins in your part of Camps Bay? If no, where do you suggest they be placed?	2.0	32.2%	32.8%	35.0%
26	Are you concerned about vagrants making a mess by picking through your rubbish on bin collection days?	1.3	81.7%	7.6%	10.8%
27	Do you make use of recycling bags provided by the City of Cape Town?	1.3	83.4%	6.3%	10.3%
28	Would you like to see more frequent collections of recycling bags?	1.5	68.1%	18.3%	13.6%
31	Would you like to see improvements in the parks and open spaces in Camps Bay (for example: clearing alien vegetation, indigenous plants, outdoor gyms, etc.)? If so, please indicate what and where, in the comments box.	1.5	61.5%	31.4%	7.1%
32	Would you be interested in more play facilities for children? If so, where?	2.0	25.3%	51.9%	22.9%
33	Would you like to see an improvement in the reporting, tracking and maintenance of storm water drains, burst mains and street gutters?	1.3	71.5%	22.7%	5.9%
35	Would you like to see a plan for traffic calming in certain areas to stop speeding? If so, please identify specific streets and locations in the comments section.	1.6	55.7%	29.4%	14.8%
36	Would you like to see improvements in the maintenance of verges, edges, borders and pavements? If so, please add specific streets and locations in the comment section.	1.6	48.5%	41.3%	10.2%

Dog faeces and beachfront sewage are both considered to be significant problems, in particular the latter, with both views consistently held across all demographics of the community.

Average Response			Detailed Responses		
Question Number	Question	Total	1. Big problem	2. Some problem	3. No problem
23	How much of a problem is dog poop in public areas of Camps Bay?	2.0	17.7%	61.3%	21.1%

Average Response			Detailed Responses		
Question Number	Question	Total	1. Very Concerned	2. Slightly Concerned	3. Neutral
34	How concerned are you about the risks posed by sewage contamination in the beachfront are	1.4	72.0%	20.3%	6.1%

In the comments section, much dissatisfaction was expressed over the recent move by the City of Cape Town to reduce the recycling collection frequency to bi-weekly, with many residents indicating that they would like to see a return to weekly collections. Many residents highlighted servitudes and connecting alleyways as needing particular attention, including fixing steps. Other common requests included fixing sidewalk potholes, more frequent grass cutting in public spaces, fixing fences and more litter bins along the coast road between Clifton and Bakoven. Residents would like to see existing parks and children’s play facilities better maintained, and steps taken to tackle vagrancy in these parks. Another common theme was the need to upgrade and beautify the Beachfront strip in general.

Findings: Social & Economic Development

The vast majority of respondents indicated that they would be in favour of some sort of initiative to help combat homelessness and the frequent instances of begging in the area, especially along the beachfront. Around half answered in favour of curbing the operations of buskers and street performers along the beachfront, and 70% indicated they would view positively a plan to limit the areas in which buskers can perform. Most residents indicated ignorance of current social upliftment programmes. Additionally, more than three-quarters of respondents indicated that they would support further initiatives for safe beachfront parking.

Average Response		Detailed Responses			
Question Number	Question	Total	1. Yes	2. No opinion	3. No
37	Would you support a plan to deal with homelessness / street people in Camps Bay?	1.1	90.7%	6.8%	2.5%
38	Would you support a plan to deal with begging along Camps Bay beachfront?	1.1	91.5%	5.7%	2.8%
39	Do you support buskers (street musicians and dancers) being allowed to operate freely in the beachfront area?	2.2	29.4%	17.6%	53.0%
40	Would you like to see buskers (street musicians and dancers) restricted to certain areas?	1.4	70.6%	15.5%	13.9%
41	Are you aware of Ignisive and the Community Stewards Programme that seeks to provide safe parking and social upliftment in the beachfront area?	2.1	42.6%	0.0%	57.4%
42	Would you support further community initiatives to provide safe parking in the beachfront area?	1.3	77.1%	16.6%	6.2%

In the comments section, a number of respondents highlighted the need for properly co-ordinated awareness campaigns aimed at discouraging tourists from giving handouts to vagrants.

Findings: Support for the CID

A significant majority of the community (82.2%) is in favour of the establishment of a CID, with more than 50% indicating strong support. Only 6.9% of residents do not support a CID being established.

Average Response			Detailed Responses (excluding No Response, n=3)					Aggregated Responses	
Question Number	Question	Total	1. I am strongly in favour	2. I am in favour	3. I do not feel strongly about it either way	4. I am against it	5. I am very much against it	In Favour	Against
43	CIDs are funded by additional rates, levied on the municipal property valuation of individual property owners residing within the boundary of the CID. In principle how supportive are you of establishing a City Improvement District (CID) in Camps Bay?	1.8	57.2%	30.0%	10.3%	3.3%	3.6%	82.2%	6.9%

Support for the proposed CID did not vary notably by reference to ownership status, primary residence, area, nationality, gender, or whether or not the respondent's property had ever been rented. There was however some indication that respondent age (ignoring small sample size at younger ages) is marginally inversely correlated with support for a CID, indicating potential affordability concerns for older residents.

Percentage of Respondents		Age Group						
		No Response	18 - 30	31 - 40	41 - 50	51 - 60	61 - 70	70+
Total		0.7%	0.6%	5.2%	18.8%	33.1%	24.0%	17.7%
