

Street Children & Families

We **engaged with 8 Children** in front of the CBCID Social Development office (aptly named "The Matchbox" to "light the spark in others'). The engagement was conducted and 4 of the kids returned home to Kalksteefontein.

The **child with his dog** also returned home to Heideveld, noting that his mom is a single parent and unemployed.

The boy confirmed that he visits the area to earn some money to sustain his family back home and it is through reintegration efforts that we continue to collaborate with various stakeholders to assist not only on street but also at source.

These women lived on the streets of Camps Bay, where they begged. In the course of interacting with them and providing the social basket, these women accepted the help and **were reunited with their loved ones**. The ladies battled to support their families as they waited for an available spot on the Stewards program. **Napier Haven** kindly volunteered for days to help provide **food parcels** for their families.

Off Streets. to Shelter. to Steward

Small steps & Giant leaps Off street

65 Street People Engagements / 5 Adults & 4 Children Reunifications / 8 Shelter Placements / 7 New Stewards / 3 Stewards got permanent jobs

Khaya has been in Camps Bay area for the past few years. The social basket of services was offered to Khaya and he did not hesitate to accept the assistance. He has successfully been placed at Safe Space 1. He also joined the ignisive Programme.

Stanford, also known as Rasta, has successfully been placed at Safe Space 1. Due to his rough years on the streets, for the past 20 years, suffering with the substance abuse "Alcohol", he has now also joined the Matrix Program. Stanford is now clean for 30 days so far. He has relapsed on 2 previous occasions and remembers that the struggle is real when in the recovery. At ignisive we continue to be the crutches to our people who have lived on the streets and suffered so many types of trauma, including Substance Use Disorder. Commitment **off street first** and accountability is a key focus area in our reintegration and skills programmes.

Stanford reunites with family after 20 years on street

...with Charlotte smiling from heaven...RIP

Various Reintegration Efforts

INTERVENTIONS SOCIAL

Community Safety always top of mind

First on scene of accidents...

First to alert authorities...

Phone found & returned to owner...
(along with many other valuable items handed over to SAPS)

The Steward teams were often first on the scene and **reported 4 accidents** over the festive season. We notified the control room for support and assisted with the clean up of the accident scenes.

The team also **supported with lost and found** whilst working over the season. They reported finding a number of valuable items to CBCID and handed items over to SAPS. They even assisted in calling an ambulance when **medical help** was needed and **alerted** authorities of **crime incidences** (e.g. an assault situation).

Ambulance assistance called

Caring for a Cleaner Environment

Crack of dawn BEACH CLEAN

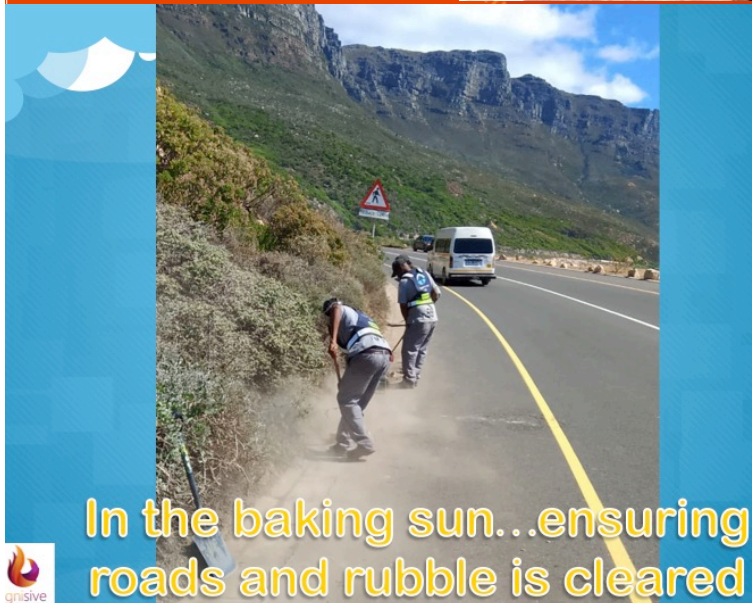

Breakfast of Champions

Our Field Operations Team supported Camps Bay City Improvement District with maintaining all the urban areas, pavements & walkways and also the drains. We cleaned all the steps and common areas and **collected a total of 547 bags of litter**, weeds, overgrown shrubs and rubble over the peak December/January season.

Our team provided extra (after hours) **support to CoCT Cleaning** teams, helping with beach clean-ups in the early mornings over the season and after Boxing Day, New Year and the first two weekends of January 2025.

They have worked hard despite the hot conditions and learnt great skills with regards to customer service, timekeeping and other skill sets.

In the baking sun...ensuring roads and rubble is cleared

One of our Community Stewards, Lorraine, also helped with **cleaning our SAPS Victim Support Rooms** and a fridge that was kindly donated to SAPS. We are grateful for every opportunity to help the team earn extra tips and rewards.

Helped Clean Victim Support Room & Donated Items

Re-Integration Back into Society

We are pleased to report that one of our dedicated Field Operations members, Shawn Solomons has been recruited and appointed as a maintenance support specialist at **Africa Padel Camps Bay** from 1 February 2025. Shawn will be ensuring that the courts and grounds are well maintained. He will also be involved with maintenance duties. We would like to express our thanks to Africa Padel for giving him this well-deserved opportunity and we wish Shawn great success.

Huge congratulations to Eric, who got a job with the **Traffic Department!**

We are also proud of our Community Stewards, Taylor, who assisted at Theatre on the Bay and was offered a more permanent role at the **Camps Bay South Beach Hotel**. It's these incredible opportunities that help propel people back into mainstream society, where they are given hope, a step up and often a significant opportunity to support an entire family.

Onwards and upwards for Shawn, Eric and Taylor!

Stakeholder Collaboration

IGNITE INCLUSIVE CHANGE
 Making a change to ignite the progress we need to experience.
 Join our Camps Bay village by making a positive impact.
 Help us avoid direct handouts on street!
 Instead empower people in a responsible way to permanently move away from street life dependencies.
DON'T GIVE SMALL CHANGE...HELP IMPACT POSITIVE CHANGE!

#iloveCampsBay
 Ignisive is a community-driven Not Profit Company that partners with local stakeholders on projects that help permanently move people away from street life.
 'I love Camps Bay', powered by Ignisive, powers meaningful change in the community.

Facilitating COMMUNITY SOCIAL IMPACT (CSI) through collaboration between Business, Community and Government entities.

#igniteResponsibly
 Ignisive is the driving force behind doing business for good and helping Camps Bay be a top destination that cares about our beautiful beaches/environment (Place) and those (People) who live, work and visit our community.
 We believe in social impact solutions being all-inclusive.
 This means getting everyone behind our shared vision of reducing homelessness and contributing in a responsible way to initiatives that empowers people to move away from street life.

How will your change help?

STREET CHILDREN In school, Off street Support returned from street on keeping children in school and off streets.	HOMELESS Reintegration Enhance street people with integration, rehabilitation and family reunification.	EMPLOYABILITY Skills Development Equip street people with skills to move off street into employment opportunities and independence living.

CoCT Collaboration

#igniteResponsibly

Give Dignity
 By supporting sustainable solutions in helping those in need, responsible waste disposal and giving handouts, contribute to people remaining on the street.
 In the right hands, your donation is the gift of dignity. Supporting a shelter, supports rehabilitation. We can do more together to help people off the streets.
 For assistance with people living on the street:
 Call 107 from a landline | Call 021-480 7700 from a cellphone
 For more information, visit Give Dignity on the City's website at www.capetown.gov.za/GiveDignity

help
 that really helps

CITY OF CAPE TOWN

We collaborated with the CACD (CoCT) Team North to bring awareness about Giving Responsibly in Camps Bay.

We continue, through various efforts, to encourage all residents, visitors and businesses to please **not give handouts** directly to anyone **other than to our Stewards**, as we are acutely aware how handouts only helps a person remain on street and not take up the professional assistance that exists.

Please help us **#igniteResponsibly**
